Idaho WSF reserves the right to use this donation in whatever way is deemed most beneficial to the Chapter.

Idaho WSF reserves the right to reject or cancel this donation at any time for any reason. The Chapter shall not be liable to the Donor for any loss, damage, or expense claimed to have been suffered by the Donor as a result of such termination.

For those entitled to a return split, be aware that no payment or commission will be paid to the Donor until purchaser has made payment in full to Idaho WSF. Donors whose items have been paid for should allow 4 weeks following the banquet to receive a check from Idaho WSF.

ART OR MERCHANDISE DONATIONS

Donors of art or merchandise are required to provide proper packaging and/or crating of their donation to ensure that the item will not be damaged during transportation.

Donations of high value jewelry should include an appraisal.

HUNT, TRIP OR VACATION DONATIONS

Idaho WSF does not accept donations for which the sale is contingent upon the purchaser supplying another hunter, or one that requires the purchaser to upgrade the hunt and harvest additional animals, or one that requires any other increment of cost to the purchaser. The Donor may provide the opportunity for the purchaser to harvest animals at their discretion.

Any donated hunt may necessitate the payment by the purchaser of government licenses or government assessed trophy fees, but no donated hunt shall require the purchaser to pay any additional outfitter imposed trophy, harvest or kill fees.

The Donor of hunts, trip or wilderness vacations can choose to receive up to 50% split of sale price.

*For donations over \$10,000 splits greater than 50% will be considered.

Trips or Wilderness Vacations must be for at least 2 people and for a minimum of 2 days.

Donation terms will be reviewed and approved by the Idaho WSF Board of Directors before contract execution.

All hunts or trips outside North America are encouraged to be a minimum of 5 days. Donations including a minimum of 2 people (either 1 hunter/ 1 non-hunter or 2 hunters) are encouraged.

Any additional fees must be clearly noted and the costs estimated.

In order to protect both our Donors and Idaho WSF, only a limited number of donations from a geographic area are accepted each year. In accepting donations the Chapter considers the Donors history, including their participation as an Exhibitor. Idaho WSF reserves the right to refuse an international donation if the Donor does not exhibit or does not have donation history with the Idaho WSF.

Donations of hunt credits are accepted only if the credit amount will allow the purchaser to harvest at least one animal without incurring additional fees and must include meals and accommodations.
